

Journal Entry-Being a Kid in the 1800s

Imagine that you are living in the 1800s. This is before electricity, plumbing, free public schools, modern transportation, and technology. What does your daily life look like? Do you go to school? What is a normal day for you? What does your house look like? Do your parents have you do chores at the house? What do you do for fun?

Write a diary entry helow and draw a nicture of your life on the hack:
